

Snow Pond Ballroom Weekend Showcase Performers

Frank Markgren and Suzanne Kahill

This Portland, Maine based dance duo is well known for their “Out of the Box” performances. Building on standard ballroom figures they infuse a unique blend of creativity and passion in crafting their own choreography.

As a young man serving in the US Army, Frank was drawn to the four-on-the-floor beats of the 1970’s disco era. A regular in the Fayetteville, NC night clubs, he danced and competed in Hustle where he and his partner were undefeated Hustle champions. After raising his three children, he returned to his passion for dance learning ballroom while still maintaining his free spirit for creativity.

Suzanne, a classically trained ballerina, studied for 20 years under a protégé of George Balanchine. She paused her dance ambitions to become a nurse and raise her five children. Rekindling her passion for dance learning ballroom and studying Tango in Buenos Aires, she developed a signature style that captivates audiences.

Frank and Suzanne’s dance partnership formed in 2005. They have been sought after to perform showcases throughout New England. We are thrilled to have them share their talents with us on the stage of Snow Pond.
